Dear Ms Adeane

### **UNIVERSAL ACCESS RAMP**

Thank you for your email dated 13 July 2013 to the Hon Troy Buswell MLA, Minister for Transport, regarding a suggested universal access ramp at South Beach from the Fremantle Sailing Club's southern groyne. The Minister has asked me to respond on his behalf, and I apologise for the delay in responding.

Your ongoing concerns and views are acknowledged, as is the outcome of the previous public consultation process relating to the Three Harbours development proposal.

At this stage, no further submissions have been lodged by the Fremantle Sailing Club for consideration. I have been advised by the Department of Transport (DoT) that should another submission be received for the universal access ramp, it will be subject to due process. DoT will pass on your concerns to the City of Fremantle regarding your suggestion of a boating exclusion zone along a portion of the beach area.

Thank you for raising this matter

Yours sincerely

**KATE WANG**  
**PRINCIPAL POLICY ADVISER**
